

Dear Business Leader,

Hope this email finds you well and you are prospering in all you do!

I have recently joined the SC Christian Chamber of Commerce (C3), which is an organization that seeks to unify the Christian community of businesses, alliances (non-profits), churches, and individuals to positively impact our community.

I thought that you would want to join this Christian movement and your company will benefit from the modest investment of \$299 per year for a business and receive the following benefits:

- ❖ Unity prayer coin with the SC Christian Chamber of Commerce logo and content that will remind you to pray for unity throughout the Christian community, which includes businesses, Churches, alliances (non-profit), and individuals.
- ❖ SC C3 window decal is intended to show you are part of the statewide Christian movement and can be displayed on your car window or the door of your business.
- ❖ Promotion of your business at monthly meetings and on the website displaying your logo, brief description of your business, and links to your website and social media.
- ❖ Monthly meeting that provide great speakers and networking opportunities to promote the Christian community.
- ❖ Submit community events that will benefit the community through the SC C3 statewide calendar.
- ❖ Create community campaigns that are a great tool to receive in-kind goods and monetary donations to promote community projects.

To get more information and join just click on this link, www.sc-c3.org. Also if you know other businesses, alliances, churches, or individuals that may benefit, please feel free to forward this information to them and encourage them to become a member.
